Rating: “Unlimited” Level (CM & Inspection)

Since 2003, Jay Shapiro & Associates, Inc. has maintained State of New Jersey Consultant Prequalification in professional Construction Management and related disciplines. The rating level is awarded based on the State’s review of the firm’s resources, capabilities and experience. Starting in 2005, JS&A achieved the highest rating (“Unlimited”) level, which allows it to propose and manage State contracts of any size.
